

Nadine Gordimer's July's People : A Routledge Study Guide

Filesize: 8.38 MB

Reviews

I actually started off looking at this pdf. It is one of the most amazing pdf i have got read. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Milford Donnelly)

Taylor Francis Ltd, United Kingdom, 2010. Paperback. Book Condition: New. 212 x 136 mm. Language: English . Brand New Book. Nadine Gordimer is one of the most important writers to emerge in the twentieth century. Her anti-Apartheid novel *July s People* (1981) is a powerful example of resistance writing and continues even now to unsettle easy assumptions about issues of power, race, gender and identity. This guide to Gordimer s compelling novel offers: * an accessible introduction to the text and contexts of *July s People* * a critical history, surveying the many interpretations of the text from publication to the present * a selection of new and reprinted critical essays on *July s People*, providing a range of perspectives on the novel and extending the coverage of key approaches identified in the critical survey * cross-references between sections of the guide, in order to suggest links between texts, contexts and criticism * suggestions for further reading. Part of the Routledge Guides to Literature series, this volume is essential reading for all those beginning detailed study of *July s People* and seeking not only a guide to the novel, but a way through the wealth of contextual and critical material that surrounds Gordimer s text.
