Berkley Prime Crime, United States, 2011. Paperback. Book Condition: New. 168 x 107 mm. Language: English . Brand New Book. Even a robot dog can sniff out trouble. USAF Lieutenant Samantha Spade is in the heat of the west Texas desert testing a dog-like robot for military use, when the device leads her and her team to a pick-up truck. The driver comes at them with a gun-and is shot in self-defense by Sam s friend. And then a gruesome discovery is made: three human heads in a cooler in the back of the truck. Because the dead man was on the FBI s most wanted list, Sam stands to get a hefty reward. Too bad the technology to keep her shady ex-husband from sniffing out cash has yet to be invented. His appearance, along with frightening issues from her boyfriend s past, make it hard to tell just who is responsible for the pipe-wielding thug who attacks her. All Sam knows is that her luck has taken a doggone turn for the worse.
