Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.WARNING: This is not the actual book Doctor Sleep by Stephen King. Do not buy this reading Sidekick if you are looking for a full copy of this great book. Use the chapter-by-chapter guide, the character breakdown, and the explanation of Doctor Sleep themes and motifs in this analysis to walk through this chilling, tense read. Stephen King s long-awaited sequel to The Shining, Doctor Sleep, marks the author s return to the horror genre after a foray into science fiction. Loaded with supernatural elements and told in King s signature terse style, Doctor Sleep revolves around Dan Torrance, son of Jack Torrance from The Shining. It focuses on Dan s life after the events at the Overlook Hotel. Dan, now a grown man, struggles with his former alcoholism, while also struggling with his gift, known as the shining. He finds himself drawn to a girl named Abra who has an even more powerful gift. Together, they must survive while working to expose a merciless secret society that targets children that possess the gift to shine. Stephen King narrates Doctor Sleep from a third-person perspective but gives each character a distinctive voice. Dan must face his demons if he is to help Abra survive. Stephen King skillfully weaves a narrative laden with themes of self-control, innocence, and redemption. He uses subtle clues to help cue readers in on the passage of time and characterization. In all, Doctor Sleep provides a satisfying follow-up to one of King s most celebrated works.
