

Jasmine and Stars: Reading More Than Lolita in Tehran

Filesize: 3.06 MB

Reviews

It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. In a direct, frank, and intimate exploration of Iranian literature and society, scholar, teacher, and poet Fatemeh Keshavarz challenges popular perceptions of Iran as a society bereft of vitality and joy. Her fresh perspective on present-day Iran provides a rare insight into this rich culture alive with artistic expression but virtually unknown to most Americans. Keshavarz introduces listeners to two modern Iranian women writers whose strong and articulate voices belie the stereotypical perception of Iranian women as voiceless victims in a country of villains. She follows with a lively critique of the recent bestseller *Reading Lolita in Tehran: A Memoir in Books*, which epitomizes what Keshavarz calls the New Orientalist narrative, a view marred by stereotype and prejudice more often tied to current geopolitical conflicts than to an understanding of Iran. Blending in firsthand glimpses of her own life from childhood memories in 1960s Shiraz to her present life as a professor in America, Keshavarz paints a portrait of Iran depicting both cultural depth and intellectual complexity. With a scholar's expertise and a poet's hand, she helps amplify the powerful voices of contemporary Iranians and leads listeners toward a deeper understanding of the country's past and present.
