## The Furious Case of the Fraudulent Fossil

---

By Barnas G. Monteith

Tumblehome Learning, United States, 2012. Paperback. Book Condition: New. Second edition. 206 x 142 mm. Language: English . Brand New Book. With time travel and mysteries that need solving, the Galactic Academy of Science (G.A.S.) series instructs readers on how to think like scientists. Under the guidance of a Dude or Dudette from the future, the middle school characters are faced with treacherous, present-day crimes that require a historical knowledge of science in order to be solved. From investigating problems to analyzing data and constructing explanations and solutions, this series blends elements of sci-fi with educational methods that distill the key thinking habits of scientists and engineers. On a museum visit, Benson and Anita meet a famous paleontologist showing off his newest fossil find: a missing link between dinosaurs and birds. But something doesn't feel right. Then a Dude from the future sends them back in time to visit an ancient Chinese scientist, dig a huge sea monster out of a cliff, and outwit a fossil thief. Benson and Anita need to root out and expose a fraudulent fossil.
