Createspace, United States, 2015. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Keeper of Secrets provides the answer to the age old question: Where is my password? How many times has that phrase run through your mind while you frantically searched for a tiny slip of paper? Akk. Been there, done that. Didn't like the panic. And I can't tell you the number of times I've had to go through the get-a-new-password process. Do I hear a yes from you, too? REMEMBER! Your Simple Solution to Keeping Organizing Passwords is the original book I created to help me--and you--avoid the stress. Life should be easier, don't you think? Because of the feedback I've received, I created KEEPER OF SECRETS as a disguised version of REMEMBER! With KEEPER OF SECRETS the cover is designed to appear as if the book is one of fiction. Inside the start of the book begins the beginning of a fictional story. The last page is the ending of that story. With KEEPER OF SECRETS, as with REMEMBER!, you have: 1) An alphabetical section for recording passwords and related key information. This includes extra spaces for updating passwords as you change them. 2) A section for other crucial information such as about your Internet service provider. 3) A place to record important email addresses so you don't lose them if your email gets hacked. 4) An area for notes.
