Brand New Book ***** Print on Demand *****.Excerpt from Plain Instructions: To Prepare and Preserve From Rust, Wrought Cast Iron Steel To my friends the public, before the great public, I present myself with homage and respect; and my object for so doing, is to give them information upon a subject which is of immense importance to their interests. To say, that I am going to discourse upon the preservation from Rust, of Iron, Cast Iron and Steel, is to say a great deal; to say Iron, Cast, Iron and Steel can at a very small expense be rendered Rust proof, is to speak volumes to every practical and reflecting mind; yet such is the fact, and I am going to prove it. After more than four years experience and observation in this business in Paris, France, I will relate my views in a plain, unvarnished manner. First, then, I think nearly every article of Iron, Cast Iron and Steel ought to be galvanised; and for the simple reason that it costs so little to do it, and yet when well done it is done for ever; one cent per pound is all they charge in Paris for galvanising articles brought to them, when these articles are of any considerable weight, such for example as pipes for stoves, water pails, locks, spring wire for seats, c. But before I proceed any further I will state the reason why it costs so little to galvanise, otherwise to zinc Iron, c. I claim the merit and honor of being the first individual that ever promulgated in this country the knowledge, that sulphuric acid, that has been made use of for refining oils, is the article they...
