

## Technically, Males Are Dummies and Other Stories

Filesize: 7.83 MB

### ***Reviews***

*Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.*

*(Bernardo Feeney Jr.)*

## TECHNICALLY, MALES ARE DUMMIES AND OTHER STORIES

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From KIRKUS REVIEW Sullivan s anthology features tales of rampaging demons, a breakthrough in fashion technology with unintended consequences, and Sherlock Holmes facing a werewolf. Sullivan, of the hardboiled Sam Dane detective series, here offers an assortment of short tales-including some mere fragments-mostly falling into the realm of the fantastic. The titular opener, presented by the writer as the first piece for which he ever got paid, somewhat follows the lines of classic sci-fi regarding a new technology and its unforeseen consequences. In this case, an inventor designs a fabric of miniscule pixel-screens that can effectively morph into any sort of garment. Result: women s wear that never goes out of fashion. Unfortunately, combined with a few other human tendencies (and the inventor s nasty divorce), the garment alters society, much to the protagonist s regret. (If only WWD had a fiction issue.) The other stories sometimes have trouble living up to that complete-package standard, but there are still compact gems of imagination. It s a Jungle creatively riffs on the urban legend of alligators infesting the sewers of New York City. Between the Bronze Mirrors, a pulpy tale of a murderous railroad tycoon trying to use captured demons against a business rival, is described by Sullivan in his introductory note as steampunk, though it s more akin to a Lovecraft tribute. A few odds and ends seem mainly included to demonstrate the author s storytelling mechanics and thought processes: Sherlock Holmes and the Leeds Serial Killer, an affectionate Conan Doyle pastiche pitting the great detective against a lycanthrope, jumps right to the climax, as Sherlock patiently explains how he unraveled the clues to arrive at a hair-raising...
