Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from In Many Moods: Verses A Song Of The West The Call of the Wild In your narrow limitations, Mid endless toil and strife, What do you. dwellers in cities Know of a life that s Life? Away in the great North West Where man hath scarcely trod, The snow clad height And river s might Seem to echo the Glory of God! When you light your little bonfire To bum what you call weeds, Were the only things you thought of Those present paltry needs? To me it s but a message. The scent of its smoke a link. With that great wild west Where the eagles nest, And your sun just touches its brink. Tho you live in wondrous mansion Or cottage it s the same, You re voked to steel conventions And freedom s but a name! I dream of a glowing camp fire Of a little moon-kissed tent, Where the giant trees Mock the gentle breeze. And I m filled with a great content. Have you heard a roaring torrent That knows no captor s will? Have you ever felt a silence That seemed to strike a chill? To me its ever calling Like a mother to her child And there is no choice When I hear that voice For I know it s the call of the wild!
