WHEN KIDS CALL THE SHOTS: HOW TO SEIZE CONTROL FROM YOUR DARLING BULLY-AND ENJOY BEING A PARENT AGAIN

Amacom. Paperback. Book Condition: new. BRAND NEW, When Kids Call the Shots: How to Seize Control from Your Darling Bully-and Enjoy Being a Parent Again, Sean Grover, Rebellious, entitled, disrespectful, many kids pummel their parents with demands, and boss them around with impunity. Experts might label them "difficult" and advise how to "fix" them. But parenting struggles rarely originate from just one side. Instead, they erupt at the volatile intersection of a child's personality with a parent's own insecurities and behaviors. Fixing the child requires fixing yourself. In When Kids Call the Shots, therapist and parenting expert Sean Grover untangles the forces driving family dysfunction, and helps parents assume leadership roles. With a liberating message and perceptive advice, the book explores: three common bullying styles (defiant, manipulative, anxious) used by kids; parenting styles (guilt-prone, anxiety-fueled, fix-everything) that contribute to power imbalances; critical testing periods in a child's development; coping mechanisms that backfire; personalized plans for calmly exerting authority in any scenario; and caving in to tantrums and threats breeds more of the same. It helps you to learn to stop the cycle of abusive behavior and make parenting a pleasure again.
