Since the issue of our first edition of the Miscellanea in 1870, we have received so many compliments from our friends and patrons in various sections of the country, and as we are requested frequently to send a copy, we are induced to issue our second edition as a compliment to our friends, and the trade in general; also, as a pleasant medium of keeping up our relation with the trade so satisfactory in the past. We have added a number of hints on painting in this little work in addition to those of the previous number of 1870.
