Brand New Book ***** Print on Demand *****.A guide to laws, conventions and rules on the operation of government; The book provides an authoritative account of the public law of the United Kingdom, on which depend the powers of the state, the work of government, and the liberties of the individual, including how the Executive - the Government and the Civil Service - relates to Her Majesty the Queen, devolved administrations and international institutions such as the European Union (EU). It reflects the importance of Parliament and Cabinet government, and the democratic nature of the UK s constitutional arrangements. For the first time the conventions determining how the Government operates are transparently set out in one place.
