Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Lea Sovran created the word shealahn, meaning peace, harmony, strength, courage, and compassion in the Life Force. It is a greeting, a farewell, and the So be it and Amen at the end of meditations. Shealahn, Volume One is based on the real experiences of women. The first section, The Book of Woman, presents imagined letters shared among women across several decades that include strategies for solving common problems women face. The Book of Woman helps you believe that virtually anything may be possible for you and that you are not alone in your concerns. You are capable of changing the world and of working miracles. The second section, The Doctrine of the Faith of the Life Force, offers women spiritual support without male gods, without being treated as second-class citizens, and without indebtedness to Higher Powers-a faith for responsible, concerned women. The primary injunction of this faith asks us to be more accountable for our actions so we have greater power to heal the Earth. Shealahn, Volume One aims to uplift and encourage women to share ideas with other women, debate them, and begin changing the world for the better. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
