Fethullah Gulen, Gulen's vision for the future is an inspiring hope, where peace and justice are maintained in the world. This is a promise in the divine revelation for the 'righteous', who are expected to be the driving force in reaching this goal. Attaining this rank, however, requires that they be ordained with certain qualifications and virtues as once manifested to the highest degree in Islamic civilisation. In this book, Gulen reminds us of these virtues, and shows the path that those lofty souls have followed in the past, leaving behind exceptional models.
