A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

And this is just the beginning. Twelve murders have taken place in one day and suddenly Carmine has more pressing matters on his hands than finding a name for his newborn son. Supported by his detective sergeants, and new team member -- the meticulous Delia Carstairs -- Delmonico embarks on what look likes an unsolvable mystery. All the murders are different. Are they dealing with one killer or many? And if twelve murders were not enough, Carmine soon finds himself pitted against the mysterious spy, Ulysses -- who is giving local arms giant Cornucopia's military secrets to the Russians. Are the murders and espionage different cases, or are they somehow linked?. book.
