Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

DIVIDED CONVERSATIONS: IDENTITIES, LEADERSHIP, AND CHANGE IN PUBLIC HIGHER EDUCATION (HARDBACK)

Vanderbilt University Press, United States, 2013. Hardback. Book Condition: New. New.. 231 x 155 mm. Language: English . Brand New Book. Through their interviews with faculty and administrators (from department chairs and deans to provosts and presidents) from a sample of eight public universities in the Northeast and their own experiences in both worlds, the authors provide a unique window into the life experiences and identities of those who struggle to make universities work. The book examines the culture of academic institutions and attempts to understand why change in public higher education is so difficult to accomplish. Many faculty believe that one of their own who becomes an administrator has gone over to the dark side. One provost recalled going for a beer with a faculty colleague and hearing the colleague complain about the latest memo from the administration. He had to remind his friend of many years that he was the author of the offending document. Now he was the administration. He realised that former colleagues now appeared in his office wearing suits and ties and referring to him by his title rather than his first name. The disciplines serve as the tribes into which individual scholars are organised; the discipline is where a faculty member finds his community and identity. Administrators, on the other hand, identify with each other in trying to get the tribes to work together. Though most administrators came from the faculty ranks, their career paths take a different shape, especially in terms of mobility to another institution. It s not surprising that the two groups talk past each other. A chapter is devoted to chairs of departments, who occupy an interesting middle ground. To their faculty, they can come across as a nurturing parent or a petty bureaucrat. The authors recommend training for chairs...
