Been Married for 50 years? Whether you are currently in the throes of wedded bliss or you aspire to walk the aisle one day, this book will give you a hilarious perspective to navigate the ups-and-downs and sometimes sideways roller coaster ride we call marriage. You start with a fairytale idea of what marriage will be like; then reality and life happens and all that entails. By finding the humor in everyday situations, comedian Ryan O'Quinn has discovered the secret to happily ever after. Only a finely honed sense of humor can help you survive the insanity of the M word! Regardless of your station, you can count on these 150 "rules" of marriage happening to you. Such as: You will learn to clap loudly for your spouse. Love scenes in the movies are not realistic! Men want to be on a throne, women want to be on a pedestal and they both want alone time on the toilet. You will need to date your spouse. Marriage is a contract for someone else to call you out on your junk. This is "not" the person you married. and that is okay. Husbands will lie about golf and dinners."
